| Environment | Indoor                        | Options     | Gloss, multiple sizes       |

## COMMON SIZES

- 3.5"x2" (Business Card)
- 6"x4"
- 7"x5"
- 9"x6"
- Custom Size

## ARTWORK

- Supply 300 DPI CMYK artwork at final size with 0.125" bleed
- Keep critical text and logos at least 0.125" inside the trim line

## HANDLING & CARE

- Store flat in a dry environment; keep away from prolonged direct sun to limit fade
- The UV coating resists everyday moisture and scuffing but is not intended for permanent outdoor exposure
- Allow ink and coating to fully set before stacking heavily
