Product, Handling & Care

PRODUCT

Material	11oz poly-cotton (65% polyester / 35% cotton)	Finish	Gesso-coated matte
Print Sides	Single-sided	Environment	Indoor
Best For	Stretching & framing	Size	Custom

HANDLING

- Handle by the edges with clean, dry hands
- The gesso coating is built for stretching — leave adequate margin for stretcher bars or framing
- Do not fold or crease the printed area

CARE

- Display indoors, away from direct sun, high humidity and heat sources
- Dust gently with a dry, soft, lint-free cloth
- Do not use water or cleaning solvents on the printed surface
