Application, Handling & Care

PRODUCT

Material	Adhesive vinyl	Print	Double-sided, independent image per side
Environment	Indoor & Outdoor	Print Sides	Single or double
Options	Contour cut	Size	Custom

SURFACE & APPLICATION

- Apply to clean, dry glass — wash with glass cleaner and dry fully first
- Squeegee from the center outward to remove air and water; press all edges firmly
- Works on storefront windows, glass doors and vehicle glass

CARE

- Clean with a soft cloth and mild glass cleaner
- Avoid abrasive pads and ammonia-heavy cleaners at the edges; do not scrape the printed surface
