Setup, Handling & Care

PRODUCT

Hardware	Retractable banner stand	Graphic	8mil no-edge-curl banner material
Standard Size	33.5" × 80"	Print Sides	Single-sided
Environment	Indoor	Includes	Stand + printed graphic

SETUP

- Set the stand on a flat surface and extend the support pole
- Pull the graphic up by the leader and hook the top rail onto the pole
- Retract slowly to roll the graphic back into the base

HANDLING & CARE

- Keep the graphic flat and dust-free; avoid creasing or folding the print
- Transport in the carry case provided
- Retract the banner when not on display to protect the print and the recoil mechanism
- Wipe gently with a soft, dry cloth
